TESTIMONIAL,—IN REHALF OF THE PASSENCERS
on board the Rising Star, P. M. S. S. Company, on her
voyage from Aspinwall to New York, arriving in last named
port May 14, we desire to express our deep appreciation of
the efficiency of Captain Henry I. Conner and educated as
well as gentlemanly officers, for safe passage through extremely denne fog and rough weather which affilted us for
three days ere our arrival. He was most faithful in all duties,
evincing superior judgment under trying circumstances. His
kind attention and courteous deportment on all occasions,
always well timed and most proper, are also worthy of commendation, though still more our safety through his protciency and the Higher Ruler of "wind and wave."

We respectfully tender our soulfilled thanks and earnest

noble profession (he being almost, if not, the youngest captain in the company), for which he is emphatically so superiority qualified and acknowledged.
